Remember in Your Prayers...

For those with family members
and friends who are ill or
recovering from surgery. May
they know the strength of
God's healing power...

For St. Joseph families facing
job loss or economic
uncertainty... may they perse-
vere in their search knowing
God will give them aide...

For generous hearts that re-
spond to the call to give their
time, treasure and talent...

For all St. Joseph School
families who have recently lost
loved ones. May they find
peace and strength in God's
promise of eternal life...

For Your Information...

Stewardship/Registration Forms

Thank you to all of the SJS
families who attended the
Stewardship meeting last night.
We hope you enjoyed learning
more about your school from
your fellow SJS family mem-
bers, school board members
and Father Bill.

Please take a moment to review
the information with your fam-
ily. Prayerfully consider your
donations of time, treasure and
talent to St. Joseph. Forms and
the registration fee of \$70.00
per student are due to be
returned to the school office no
later than Friday, April 16th.
Thank you.

Fish Fry Volunteers Needed

If you find out at the last minute
you are able to work the Fish Fry,
just show up (especially from 7 to
8:30 pm). Help in the kitchen at
this time is always appreciated.

The St. Joseph PTO and Men's
Club need many volunteers to
make this event a success.
Please share your time, talent
and treasures in the fellowship of
this year's event.

Volunteering for the Fish Fries is
a great way to contribute to SJS,
have fun, and meet new SJS
families.

It's A Spelling Bee "Three -peat" for Bethany Guthrie

Bethany was the SJS Spelling Bee
winner again this year to
continue her winning streak. She
had some serious competition
toward the end, including Seth
McDowell (7th grade) and Isaac
Edelen (5th grade) making it to
the final three.

Bethany will compete in the
County Spelling Bee on Tuesday,
March 3rd. Good luck Bethany!

This and That ...

When You Thought I Wasn't Looking

When you thought I wasn't looking. I saw you hang my first painting on the refrigerator, and I immediately wanted to paint another one.

When you thought I wasn't looking I saw you feed a stray cat, and I learned that it was good to be kind to animals.

When you thought I wasn't looking I saw you make my favorite cake for me, and I learned that the little things can be the special things in life.

When you thought I wasn't looking I heard you say a prayer, and I knew that there is a God I could always talk to, and I learned to trust in Him.

When you thought I wasn't

looking. I saw you make a meal and take it to a friend who was sick, and I learned that we all have to help take care of each other.

When you thought I wasn't looking I saw you take care of our house and everyone in it, and I learned that we have to take care of what we are given.

When you thought I wasn't looking I saw how you handled your responsibilities, even when you didn't feel good, and I learned that I would have to be responsible when I grow up.

When you thought I wasn't looking I saw tears come from your eyes, and I learned that sometimes things hurt, but it's all

right to cry.

When you thought I wasn't looking I saw that you cared, and I wanted to be everything that I could be.

When you thought I wasn't looking I learned most of life's lessons that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking I looked at you and wanted to say, "Thanks for all the things I saw when you thought I wasn't looking."

Did You Know?...

Water is the only substance on Earth which is commonly found as

a solid, liquid and gas. Over 70% of the Earth's surface is covered with water. Earth is the only planet in the Solar System to have liquid water on its surface.

Word For the Week

Interregnum— The time during which a throne is vacant between two successive reigns or regimes. A pause in a continuous series.

SPORTS NEWS....

** Thank you to our Athletic Department sponsors who have purchased advertising space in our gym. This week we would like to recognize Mattingly & Howell. Please support the businesses that help make St. Joseph School Athletics a success.

** Mark your calendar- Snow make up days will be Thursday, May 27th and Friday, May 28th. Let's hope spring weather will be here soon!

**Speaker Engages Students
During an Anti-Drinking &
Driving Assembly**

Ms. Sarah Panzau regrets her decision to drive after drinking. She had a near fatal car crash which left her scarred, and inspired to share her story with young people all over the country. Her lively style and friendly manner kept the 6th—8th grade students' attention as she warned them to never drink and drive and reminded them their family will always be there for them.

Project Hope

Next time you visit the grocery store, pick up a few cans of food to help feed the hungry. The SJS Project Hope kick-off included music, dancing, and the important message of giving to those in need. Throughout Lent, SJS will be collecting canned food donations for the St. Vincent DePaul food pantry.

**Registration for New
Families**

**Thursday, March 4th 9
-11 am and 4-6 pm**

SJS will register new students for the 2010-2011 school year on March 4th. If you know someone who is interested in attending St. Joseph next year, please encourage them to register or call the school office for more information or a tour. Thank you.
