

Athletic Board Minutes  
December 4, 2019

Present: Gina Hutchins, David Wheatley, Curt Haun, Karen Spalding, John Evans

Siblings at practice

- Younger siblings are being left unattended while waiting for older sibling's practice to be over. This is an issue of safety for the children left unattended. Siblings should not be at practice unless a parent is in the gym with them.
- Mr. Haun will send out an announcement in the Knight Note.
- Coaches cannot be responsible for other children during practice times. Their focus needs to be on their team.

Home game schedules

- Practice taking place on the days of scheduled home games need to end on time. Brian has the time in the gym schedule. Coaches need to be sure they are ending on time so that the visiting teams may enter the gym and warm up.

Intermediate uniforms need to be turned in ASAP so they may be distributed to the boys teams.

There are numerous old, mismatched uniforms on the stage. We will look into donating those items to Haiti or another area in need.

Gate charges for Nelson County Little League basketball will be the same throughout the county. \$3 for adults, \$1 for children K-12

There should be no games scheduled at/for St. Joseph intermediate teams on February 8 and 29 due to Academic Team. We are hosting the 4/5th Academic Team Regional competition on February 29. This has been communicated to the scheduler by David Wheatley.

Baseball signups

- Rent PTA building for winter training sessions
- Sign-ups will go home in the Knight Note before Christmas via Google form
- Curt will sign kids up at lunch.
- Feeder school kids can play on A team
- Practice will start at the end of January
