St. Joseph Cafeteria  
Minutes

Members present:

Jason Cheek  
Nick Thurmond  
Gina Hutchins  
Brad Greenwell  
Kerry Weston  
Jason Logsdon  
David Wheatley  
Curt Haun

Mr. Haun reminded members of the email he had sent regarding the Director of Programs for both basketball programs and volleyball. Two directors have been hired: Brook Hutchins for volleyball and Brad Greenwell for boys' basketball. A search for a girls' basketball program director continues.

An update on Intermediate girls basketball was given. An update that the season has yet to begin and that there will be a meeting next week to determine what the rest of the season is going to look like.

Volleyball sign-ups will begin next week and dates for evaluations will be determined.

COVID 19 precautions were discussed.

Athletic Eligibility was added to the agenda by request. Mr. Haun is going to ask Ms. Bradley to take the lead on looking at the present policy.

There is an opening on the board for the Faculty Board Member. Karen Spalding resigned from this position. Mr. Haun reported that only one faculty member has talked to him about the position.

Mr. Haun explained that the gym schedule is tight with 17 teams trying to practice (girls basketball - which is finishing up, Intermediate girls and boys middle school). He asked that everyone be patient while trying to get gym time. Brad Greenwell is the contact for scheduling the gym.

Boys' Middle School basketball starts the week of November 16th.

All sports banquets have been cancelled/postponed for this year until COVID gets under control.

Mr. Haun asked the board members to help out during boys basketball because his senior son plays basketball at his school and Mr. Haun will be going to those games. Brad Greenwell will be at all the red team games and David Wheatley will be at all the black team games but they both coach as well and there will be times when another adult will need to be available.

No other items were brought to the floor.

Meeting adjourned approximately 6:30.
